Fund Administration Costs & Expenses	
Hire of Hall	£13.00
Advertising	£298.15
Auditor/Account costs	<u>£852.00</u>
TOTAL	£1163.15
Planned projects (including those committed but not yet awarded)	
<p>£50,000.00 set aside for the purchase and rebuilding of old toilets at Tayinloan ferry car park which are now 70 years old an unsuitable for 21st century and beyond. Our solicitors are currently drawing up the contracts for the purchase of the building and land which will hopefully be completed within the next 6 weeks. Following this we</p>	

intend to demolish the current building and rebuild new facilities suitable for all abilities that will be owned by the community for the community and all who use such facilities whether living here or visiting the area. The estimated total cost of the project will be circa £100k using current prices.`

Additional information

The fund has helped a variety of projects and groups who would otherwise perhaps not been able to undertake these projects or educational dreams. The Tayinloan toilets project will be a long term legacy for the area which again without such a fund would have been extremely difficult to fund or maintain.
